

**GOING FORWARD:** Workers Rockers' goal attack Katie Field drives forward in her team's Lismore netball division one game with All Saints on Saturday. Workers won the match 44-16.

# Daleys sew up minor title

**DALEYS** are the senior division one minor premiers in the Lismore and District Netball Association competition.

They finished the minor-round season last Saturday on 46 points, two clear of Workers Rockers on 44, with All Saints on 31 and

Pure Blonde Rats on 26.

Rockers and Daleys now meet on Saturday in the major semi-final in what is expected to be a close and hard-fought battle to secure a grand final berth.

The young Ballina-based All Saints have gone through a form slump in

recent weeks, but will still be favoured when they meet the Southern Cross University-based Rats in the elimination semi-final.

Grand finals in all Lismore netball competition divisions are scheduled for Saturday, September 12.
